Memo No.E2.PR.129.C. dated 11th January 1944, from the Director of Food Supplies in Mysore, Bangalore.

Instances having come to the notice of the undersigned where inspite of all vigilance several depots have run out of stocks of either Rice, Ragi or Sugar etc., arrangements have been made to treat one of the Depots in each Division as an Emergency Depot where Ration Card holders that are unable to obtain these articles in the Depots (Or societies) where their cards are registered may obtain the same. In such case the Depot or Society should note this information on a slip (supplied) noting the want of stock and Ration Card No. with the Depot Keeper's initials and date. These slips will be honoured when presented with the Ration Cards at Emergency Depots.

The Rationing Officer has been separately instructed to notify the depots that will be treated as Emergency Depots for this purpose.

Memo No.E2.PR.129.C. dated 20th March 1944, from the Director of Food Supplies in Mysore, Bangalore.

In continuation of Memo No.E2.PR.129 dated 11th January 1944, please take action to open immediately as far as possible Sub Godowns in each Division. The staff for these godowns will be as under:-

1. One Revenue Inspector from out of the staff sanctioned to you already in respect of the godowns, to be in charge of the godown.

2. One Manager cum Cashier.
3. One Bill Clerk
4. Two Peons.
5. Two Measurers.

) i.e., establishment sanctioned for Emergency Depot for each division ordered to be opened in my letter No. E2.PR.129 dated 11-1-44 being amalgamated with the sub godown.

2. All Government Depots in the Division, licensed retail dealers, co-operative societies, special ration card holders such as, hotels, etc., will hereafter draw their supplies from these sub godowns.

3. Arrangements will be made to always keep sufficient stock in these sub godowns to meet their demands which are fixed taking into account the quantities noted on the ration cards attached to each Government or retail dealer and special cards given to hotels, hostels, etc.

4. The Manager of each depot in consultation with the Transport Officer will as far as possible fix dates on which issues will be made to the several depots, retail dealers, institutions, etc.

5. On the date in question these will be present their ration card or allotment certificate to the Special Revenue Inspector in charge of the godown who will issue a delivery slip for the quantities required by the party. The delivery slip will be presented to the Manager- Cashier who will receive payment and pass on the delivery slip to the Clerk who will issue the goods.

6. This procedure will do away with the present complicated process of hotel keepers, etc., going to the

office of the Assistant Director of Civil Supplies, issuing coupons and making payments in the bank and then going to the Transport Officer for arranging for supplies.

7 While selecting the men for the cashiers' posts, the Assistant Director of Civil Supplies will take all necessary precautions in choosing only suitable men for the posts. Unless better qualified men are available, the minimum qualification for the cashier's post may be 'study up to S.S.L.C.' The Cashier should furnish a cash security of Rs.1,000/- If required, he may be given an allowance of Rs.5 for doing this work.

8 The Sub godowns will also deal with special articles of Jave wheat etc. It will also do all the duties now being attended to in an Emergency Depot. No individual ration cards however will ordinarily be registered in any of these sub godowns.

9 The present system of issue of coupons and making the merchants etc., taking their requirements from several depots will cease.

A detailed circular regarding accounting in these sub godowns and returns, etc., to be sent from these, will separately be issued.
